# Become a Master Naturalist In the Natural State

Arkansas  
Master  
Naturalists

Southeast Arkansas Chapter

## Who we are –

Citizens like you who:

- Support conservation efforts.
- Desire to learn about natural resources in their communities.
- Enjoy sharing acquired knowledge with others through volunteer service.

Southeast Arkansas Master Naturalists is a chapter of the Arkansas Master Naturalists, a non-profit organization with several chapters throughout the state.

## What we do –

Master Naturalists support natural areas in their communities through volunteering. Members of the Southeast Arkansas chapter are active in numerous projects throughout the year such as:

- Maintaining trails at state parks and other area natural areas.
- Testing water quality in streams, rivers, and lakes in Southeast Arkansas.
- Volunteering as area state park interpreters and assisting with various educational programs.
- Building and monitoring nesting boxes for The Wildlife Habitat Project.

## Become a Master Naturalist

Over 50 hours of combined classroom and field instruction on ecological topics are presented by area experts.

To become a Master Naturalist:

- Be over 18 years of age.
- Enroll in our annual training program for new members.
- Pay \$30 annual membership fee. An additional \$70 will be due at the start of training to offset training expenses.\*
- Attend a minimum of 40 hours of the training provided.

New Member Annual Training:

- Held on Saturdays.
- Class size is limited, spaces reserved on a first come, first serve basis.
- Held at various area locations.

Certification:

Master Naturalists perform at least 40 hours of volunteer service and complete 8 hours of advanced training within the organization's fiscal year to become and remain certified.

*\* Fees subject to change.*
